MATTHEW 22:34-40

When the Pharisees heard that he had silenced the Sadducees, they gathered together, and one of them, a lawyer, asked him a question to test him. 'Teacher, which commandment in the law is the greatest?' He said to him, ' "You shall love the Lord your God with all your heart, and with all your soul, and with all your mind." This is the greatest and first commandment. And a second is like it: "You shall love your neighbour as yourself." On these two commandments hang all the law and the prophets.'

Prayers of the People

Each week the people of God at APC join in prayers of thanksgiving, praise and petition to pray as one community for needs in the church. Praying for others keeps our focus outward and opens us up to know the will of God in our own lives. Consider making these prayer lists part of your daily prayer life. Doing so, may just help your feelings of isolation. Through prayer, the Holy Spirit brings others, even strangers, closer to you.

Please Keep These Requests In Prayer

The prayer book is on the table in the vestibule by the side entrance to the sanctuary.

Please write any requests/praise items you wish to be included in prayer during worship.

Keep in mind that Facebook comments and requests read by the minister during worship are being recorded for broadcast and can be heard by the general public worldwide. For the privacy of those you are praying for, consider using just a first name or making your prayer requests general in nature.

Sister Jean's Food & Clothing Pantry

Believe it or not, the otherwise helpful government program SNAP, does not cover these essentials!?!

There is a big demand for dish soap and toilet paper and other cleaning products. They need the sizes for home use, not bulk containers as these are for individuals. Even just grabbing a few items at a dollar store will help. Don't forget dish cloths and sponges... you know, the essentials.

Please help
replenish our
homemade soups
and breads for
our shut-in
members.

| LABEL your soups and breads and |
| please, DO NOT use nuts in your |
| recipes as many people have an |
| allergy to them. |
Please put DATE on label.
