The word "Joseph" is written in a highly stylized, golden, cursive font. Above the letters are several golden stars of varying sizes, and a golden crescent moon is positioned to the right of the word. The background is a dark, textured surface with a red and blue color scheme, possibly representing a night sky or a draped fabric.

Fall 2022

Stay Healthy this Fall: Get Vaccinated

Flu season typically starts in October and ends in May. AND unfortunately, COVID-19 is still with us. Get vaccinated to protect yourself and those around you from both viruses. Symptoms of flu and COVID-19 are similar, and infection can occur at the same time. Vaccines reduce the risk of severe illness and may prevent hospitalization and death. It is recommended everyone 6 months of age and older receive an annual flu shot and stay up to date on COVID-19 vaccines. Both shots can be given at the same visit.

In addition to getting vaccinated:

- wash your hands frequently
- avoid touching your face
- cover your coughs and sneezes,
- avoid crowds and poorly ventilated spaces
- clean commonly touched surfaces
- wear a mask when recommended
- and stay home if you're sick
